

Social Templates Bundle Pack

Use the links below to access your exclusive Quick Click Event Social Template Bundle Pack. You can download the done-for-you images immediately OR you can access the Canva Templates to customize them to your personal brand.

Done-For-You Images:

- Exclusive access to our ready to use Quick Click Event images; created by our BossLady Bio graphic designer
- Simply download the images and find them in your downloads folder (or in your Photos app on your phone)
- Share the image by uploading it into your Quick Click Event, onto social media, or use it to share your event with a guest

Canva Templates:

- Quick and easy to edit online for free using Canva's intuitive drag-and-drop options
- Compatible with FREE *and* PRO Canva accounts
- All fonts, colors, and images are fully customizable to match your branding
- Duplicate, rearrange and delete pages
- Use over and over again to customize your events, social media posts, invites etc.
- Optimized for Canva online edition, not the mobile app
